MYSORE ECONOMIC CONFERENCE.

Notice dated 14th April 1916.

Tenders are invited to print the Mysore Economic Journal. A specimen copy of the same can be had on application to this office.

2. Contract rates for printing the Journal from month to month are required during the next year and a half beginning from 1st June 1916. The Journal will consist at least of five forms of eight pages each of reading matter and two forms of eight pages each of advertisement matter. The reading matter will have to be set up partly in 10 pt. type and partly in 8 pt. type; while the advertisement matter should be set up in an attractive manner in "display" type. The entire "copy" should be set up within from ten to twelve days from date of receipt of MS. from the Editor of the Journal and the proof to be given him immediately at the end of that period for obtaining his strike order. A sufficiency of types, machinery, men, etc., to do the work should be guaranteed and should be open to inspection. No charge for standing matter will be allowed if for only a month, and as regards advertisements due insertion as per order and directions should be guaranteed, all loss sustained by neglect of duty in this behalf being debited to printer's account. Additional guarantees will have to be furnished for the regular despatch of proofs to and from the Journal office daily, so that the work may go on without a hitch. Due attention should be paid to the binding of the Journal for which separate estimates are required. Proper arrangements for printing the blocks given from month to month should be guaranteed, appropriate machinery being used for it. The quotations should include the lowest rates for printing illustrations of from one to four blocks to an impression.

3. The number of English copies printed now is about 750 and the contract rates quoted should include rates for every 100 copies extra required at any time.

4. Paper will be supplied by this office and it should, whenever necessary, be taken and secured by the printer on his own responsibility.

5. Specimen pages (10 pt. and 8 pt.) should be set up and sent for inspection with quotations.

6. The tenders should reach the undersigned before the 15th May 1916.

P. G. D'SOUZA,
Secretary, Mysore Economic Conference.
